

Yarn: New England Knitters Shetland, 100 % wool.

	H2319x/01	H2319x/02	H2319x/20	H2319x/21
A	Gold	Seagreen	Grass	Sandalwood
B	Lady Slipper	Grass	Straw	Mustard
C	Cornsilk	Lime	Lime	Camel
D	Melon	Tundra	Tundra	Gold
E	Lime	Cornflower	Melon	Brass
G	Cornflower	Bermuda Blue	Gold	Tundra
H	Bermuda Blue	Periwinkle	Foliage	Straw
K	Seagreen	Lilac	Sandalwood	Suede

Needles: Circular needles 3 mm (24", 32" or 40" long) and 2 short straight needles 3 mm.
3 mm is 2 or 3 US.

Colors

The scarf above is made of left over yarn from the bluish MARIMEKKO Poncho. You can make it the length and width you want.

The colors are combined so that they fit each other, so it does not matter how you will put them together - I will however recommend that you place all the colors in a circle and continue switching them until you are satisfied with the color sequence.

Amount of Yarn

Weigh each color of yarn very accurate and write it down. Make a check patterned panel and weigh your yarn again. This will tell you approximately how much yarn you used for this panel. Make and join a solid one color stripe to the check patterned panel and weigh the yarn that is left - now you know how much yarn needed for each solid stripe. In this manner you can figure out how wide your scarf can be. Make sure you have yarn enough for the solid panel next to the first check patterned panel.

Gauge: 25 sts and 52 needles
= 10 x 10 cm / 4" x 4" in garter st.

Abbreviation: See Booklet.
Pick-knit = Pick up and knit.

Panel 1 - Check patterned

K-CO 8 sts on short ndls and in a color of your choice. Work as follows:

Row 1 (WS): K7, p1.

Row 2 (RS): Sl 1 kwise, k6, p1.

This scarf is 7 panels wide, but not very long.

Knitting Procedure

The scarf is made of alternately check patterned and solid one color panels. The check patterned panel is worked horizontally and the solid panel are worked vertically. They are joined as your go.

Rows 3-9: As for row 2.

You should now have 10 ridges on RS. This is the first square of your check pattern.

Change to the next color.

Work 20 rows, as for row 2 using the new color.

Rep the last 20 rows and every time one square is done change color and make a new one until length desired. BO on the RS.

Panel 2 - A Solid One Color Stripe

K-CO 20 sts on circ ndl 3 mm. Hold the ndl with the

sts in your right hand and the work in your left hand with RS facing and the CO pointing towards you and the the rest of Panel 1 pointing out and downwards. Pick-knit sts along the right hand side of Panel 1 - 1 st in each edge-st (under both loops) - beg in the CO-end (where Panel 1 was started) and pick-knit the first st in the last edge-st of the first square (between garter-ridge 8 and 9), cont pick-knitting along each square (10 sts along each square), except for the last square.

K-CO 20 st with the next color and place the work in your left hand in position to knit.

Row 1 (WS): K until 21 sts rem, k2tog, k to the last st, p 1.

Row 2 (RS): Sl 1 kwise, k to the last st, p1.

Rows 3-8: As for row 2. You should now have 4 ridges on RS.

Row 9 (WS): BO 20 sts (knit the first st - meaning do not slip the st), k to the last st, p1. Place the work in your left hand and BO the first 20 sts. Slip the rem st from the ndl-tip in your right hand to the tip in your left hand. Leave the work for later.

Panel 3 - Check patterned

K-CO 8 sts on short ndls.

Row 1-18: As for the first 18 rows of Panel 1.

Row 19: Place the circ with Panel 1 and 2 in your right hand and knit row 19 as for Panel 1. You will now have the vertical as well as the horizontal sts on the circ. Change color and turn work with RS facing.

Rows 20 and 21: Sl 1 kwise, k6, p2tog (1 st from panel 3 and 1 st from Panel 2) - turn work and sl 1 kwise, k6, p1.

Cont in this manner until all the vertical sts from panel 3 has disappeared. Make one more square on the rem 8 sts. BO.

Panel 2 - A Solid One Color Stripe

As for panel 2 with the next color.

Cont in that manner until desired width except for 1 panel.

The Last Panel - A Solid One Color Stripe

Beg i the the opposite end of the work (the BO-end) and join this panel to Panel 1 as for panel 2. Make row 9 as for row 2 (meaning do not BO). BO.
